Note:

How point scores are calculated:

An athlete is awarded 60 points for jumping the K-point distance. For every metre more or less than the K-point, an athlete has 2.0 points added or subtracted from his total. In addition, athletes are awarded points for style (for flight, landing and out-run) up to a maximum of 20 per judge. Five judges score each jump, with the highest and lowest scores discarded and the scores of the other three summed and added to the athlete's points for distance. The gate and/or wind compensation points are added to, or subtracted from, the total points.

Note:

How point scores are calculated:

An athlete is awarded 60 points for jumping the K-point distance. For every metre more or less than the K-point, an athlete has 2.0 points added or subtracted from his total. In addition, athletes are awarded points for style (for flight, landing and out-run) up to a maximum of 20 per judge. Five judges score each jump, with the highest and lowest scores discarded and the scores of the other three summed and added to the athlete's points for distance. The gate and/or wind compensation points are added to, or subtracted from, the total points.

Calculation of the time difference in individual events:

The start time difference for each athlete is calculated by converting the number of points behind into time. Each point behind is equivalent to 3 seconds; an athlete 20 points behind will start with a time difference of one minute

Jury / Competition Management			Course Information	
FIS Technical Delegate (TD)	JIRASEK Stanislav (CZE)		Name	2 km Cross Country Track
FIS Assistant TD	SOKOLOVA Margarita (LAT)		Height Difference (HD)	18m
Chief of Competition	STEGNAR Matija (SLO)		Maximum Climb (MC)	18m
Chief of Course	LONGHINI Igor (ITA)		Total Climb (TC)	50m
			Length of Lap	2000m
			Number of Laps	2

Note:

Calculation of the time difference in individual events:

The start time difference for each athlete is calculated by converting the number of points behind into time. Each point behind is equivalent to 3 seconds; an athlete 20 points behind will start with a time difference of one minute

Wave:

To prevent too large start time differences, the Jury can decide upon the use of the "wave start". At the end of the Cross-Country race, the actual time difference after Ski Jumping will be adjusted accordingly

Ski Jumping Competition Round

TUE 24 JAN 2023
Start Time Trial 10:30
Start Time 1st 11:00

Start List

REVISED
TUE 24 JAN 08:32

Note:

How point scores are calculated:

An athlete is awarded 60 points for jumping the K-point distance. For every metre more or less than the K-point, an athlete has 2.0 points added or subtracted from his total. In addition, athletes are awarded points for style (for flight, landing and out-run) up to a maximum of 20 per judge. Five judges score each jump, with the highest and lowest scores discarded and the scores of the other three summed and added to the athlete's points for distance. The gate and/or wind compensation points are added to, or subtracted from, the total points.

REVISED Starting Time changed

Statistics												
	Gate	Athletes	Falls	Distance [m]			Speed [km/h]			Athletes / Countries		
				Min	Avg	Max	Min	Avg	Max	in start list	started	with results
Competition	12	36	0	72.0	82.7	95.5	86.9	87.9	89.0	37 / 11	37 / 11	36 / 11

Note:

How point scores are calculated:

An athlete is awarded 60 points for jumping the K-point distance. For every metre more or less than the K-point, an athlete has 2.0 points added or subtracted from his total. In addition, athletes are awarded points for style (for flight, landing and out-run) up to a maximum of 20 per judge. Five judges score each jump, with the highest and lowest scores discarded and the scores of the other three summed and added to the athlete's points for distance. The gate and/or wind compensation points are added to, or subtracted from, the total points.

Calculation of the time difference in individual events:

The start time difference for each athlete is calculated by converting the number of points behind into time. Each point behind is equivalent to 4 seconds; an athlete 15 points behind will start with a time difference of one minute

THU 26 JAN 2023
Start Time Trial 09:30
Start Time 10:00

Start List

Note:

How point scores are calculated:

The team total points are the sum of all individual point scores.

An athlete is awarded 60 points for jumping the K-point distance. For every metre more or less than the K-point, an athlete has 2.0 points added or subtracted from his total. In addition, athletes are awarded points for style (for flight, landing and out-run) up to a maximum of 20 per judge.

Five judges score each jump, with the highest and lowest scores discarded and the scores of the other three summed and added to the athlete's points for distance. The gate and/or wind compensation points are added to, or subtracted from, the total points.

Note:

How point scores are calculated:

The team total points are the sum of all individual point scores.

An athlete is awarded 60 points for jumping the K-point distance. For every metre more or less than the K-point, an athlete has 2.0 points added or subtracted from his total. In addition, athletes are awarded points for style (for flight, landing and out-run) up to a maximum of 20 per judge.

Five judges score each jump, with the highest and lowest scores discarded and the scores of the other three summed and added to the athlete's points for distance. The gate and/or wind compensation points are added to, or subtracted from, the total points.

Calculation of the time difference in team events:

The start time difference for each team is calculated by converting the number of points behind into time. Each point behind is equivalent to 1 seconds; a team 60 points behind will start with a time difference of one minute
